## About This Game

Amax Interactive brings you the latest spine-tingling addition to the PuppetShow series!

When your friend receives a strange letter about her new rare puppet, you rush to help. Upon your arrival you quickly find that these are more than just idle threats when she's kidnapped by a masked maniac! Can you uncover the truth behind the auction of a rare puppet collection and save your friend in time? Find out in this exhilarating Hidden-Object Puzzle adventure!

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

Deal with another devious puppet in the bonus chapter!

Replay your favorite HOPs and mini-games by revisiting the Master's chests and workbenches, and see how well you do!

Tons of collectible bells and morphing cherry blossoms to find!

Enjoy exclusive wallpapers, screen savers, music, and more!

Never get lost with the strategy guide!

This is a Hidden Object Puzzle Adventure game, meaning a specific genre of story-driven, point & click adventures. Throughout the game, players are tasked to find a list of objects hidden within a particular scene, and to occasionally complete various mini-games/puzzles.
